CELEBRATING 25 YEARS

Players of the Stage has entered its **25th year**, and with that comes **exciting news!**

Improv Workshops

Thanks to the improv expertise of Noelle Ledford, Players of the Stage is developing a travelling improv workshop aimed to promote teamwork, creativity, and laughter in the youth of Lehigh Valley!

If your school or youth group would be interested in hosting one of these workshops/game nights, please reach out to playersofthestagelv@gmail.com

New Stage

Thank you all who donated towards our stage project during our run of "A Christmas Carol". We are so grateful and humbled to have such a generous and supportive family!

We are happy to announce that the design is underway thanks to the POTS and Citylight family volunteers, and we look forward to sharing updates and timelines with you as they come! Please be in prayer for this project as we endeavor to create a "platform" for Truth.

Alumni Show

POTS has graduated so much talent throughout its lifetime, and to celebrate this, we are working to start a yearly alumni show scheduled to practice and run in the summers going forward.

If you are an alumni interested in getting back into acting, stage managing, directing, etc., please reach out to us at playersofthestagelv@gmail.com

Help our Ministry Flourish

Cheaper than the average streaming service, you can help keep our doors open and our staff paid by being a **12 for 12 member!** Commit on our website to donate **\$12 for 12 months**, and you can help support our ongoing ministry.

OUR SPRING PRODUCTION

We have finished auditions and casting of Kate Hamill's "A Little Women" stage adaptation! During the read-through, laughter, tears, and excitement were shared by cast and crew as we prepare the journey on this timeless journey. Please be in prayer for us all as we endeavor to rehearse through the winter climates and seek to communicate the intricacies of this story to the audience God brings to us.
